

BLUEORBIT COMPANY LIMITED

REMOTE WORK POLICY

Fictional document created for RAG/chatbot testing. It is not an official policy of a real company.

Document Code	OPS-REM-002
Version	1.0
Effective Date	June 10, 2026
Scope	Employees eligible for remote work

1. Number of Remote Work Days

Eligible employees may register for up to 2 remote work days per week, except for positions that require on-site work.

Remote work schedules must be approved by the employee's manager before 17:00 on the preceding working day.

2. Core Availability Hours

On remote work days, employees must be online during the core hours of 09:30-11:30 and 14:00-16:30.

Confirmed meetings on the company calendar must be attended with the same priority as when working in the office.

3. Security While Working Remotely

Employees must use the company VPN when accessing internal systems from an external network.

Sensitive data must not be handled on public computers. Employees must prevent unauthorized persons from viewing Confidential documents.

4. Performance

Remote work does not change KPIs, deadlines, or reporting responsibilities.

If an Internet outage lasts more than 60 minutes, the employee must notify their manager and propose an alternative way to continue working.
